

Request for KHGI News Events

Nebraska Television

Thank you for your interest in our locally generated news and programming. We are happy to provide you access to recent stories and interviews if possible. However, we cannot guarantee the video piece requested has been preserved. If we do not have the requested video, your payment will be returned.

Please allow 7 to 14 days for the copy to be made. Requests need to be received within 10 days of story's airdate, as shows are not kept after 15 days. Footage is only limited to what has aired in its newscasts. Dubs of raw footage will not be provided. Non-published or non-broadcast information is considered privileged under the State's Shield Law, which is designed as a protection to journalists.

If you are posting any KHGI generated content onto another website it cannot be altered without written permission and you must credit KHGI news adjacent to the posting. KHGI retains all rights to the material including the right to withdraw it at anytime. Please complete the information below.
